

BULLETIN

November 25, 2024 | BULLETIN 50-24

TO: All Greenheck Representatives
FROM: Mike Glodowski, Senior Application Engineer
Jennifer Butina, Senior Application Engineer
SUBJECT: Webinars: New in CAPS® 4.46

Join us for CAPS® 4.46 webinars outlining updates from the Conditioning & Ventilating Products (CVP) division. The Dedicated Outdoor Air Systems (DOAS) and Tempered Air Products (TAP) groups will each host two webinar dates. CAPS 4.46 goes live on December 2nd.

DOAS Topics

- New CAPS User Interface

TAP Topics

- Redesigned MUA PDX R-454B now orderable
- New ERVi Product
- CAPS User Interface transition timeline
