TO: All Greenheck Representatives
FROM: Matt Spink
Chief Sales Officer
SUBJECT: Transition to Precision Coils Branded Coils

Last month we announced the sale of the Precision Coils business to The Edgewater Funds where we communicated a 'business-as-usual' posture as we transition the business systems and processes.

Great progress has been made with the transition and effective January 1, 2025, we will discontinue the sale of Greenheck branded coils and replace them with Precision Coils branded coils. To be clear, the same coil product portfolio will be provided to you and your customers by the Precision Coils business, but under the Precision Coils brand and customer support.

The process to switch to Precision Coils branded product will require a mandatory update to the PC Select coil selection software on or before January 1, 2025. Please click [here](#) for detailed installation instructions.

Should you have any questions regarding the software update, please contact Nick Sprowso with Precision Coils at nicholas.sprowso@precision-coils.com or 731-443-2625.

Thank you!
