FROM: Fred Book  
General Manager —Grilles, Registers, Diffusers  
SUBJECT: Hurricane Milton Update

We are writing to update you on the status of our Clearwater and Bushnell, Florida locations following Hurricane Milton.

We are pleased to report that both locations sustained no permanent damage.

- Bushnell facility reopened today and will be ramping up production over the coming week.
- Clearwater location is currently without power. We are working closely with local utility providers to restore power as quickly as possible.

Please note that this may impact our ability to fulfill quick build orders in the immediate term. Additionally, freight disruptions may affect our shipping schedules.

We appreciate your patience and understanding as we work through these challenges. Thank you for your continued support during this time. If you have any questions or need assistance, please do not hesitate to contact our customer service team.
