SUBJECT: Square Ceiling Diffuser 20x20 Module Size Option Now Available

We are pleased to announce the availability of our 20x20 module option for square ceiling diffuser models CDS and CDS with 4C option (formerly XG-5700 and XG-5800).

Available for selection in the August 5th, 2024 CAPS® update, the new 20x20 module diffuser will be offered in steel or aluminum construction with 6-inch, 8-inch, or 10-inch neck sizes.

If you have projects requiring this size option prior to the August 5th, 2024 CAPS update, please contact grd@greenheck.com for an SDR number, pricing, and ordering instructions.

Thank you for your continued partnership, and please feel free to reach out if you have any further inquiries or require additional assistance.
