Notes:

- Greenheck reserves the right to make changes without notice.
- Options and accessories may limit manufacturing locations and programs. Please contact your regional sales department for confirmation of manufacturing location.
- QB availability based on size and accessories.
- Ship loose stock accessory items may or may not ship with unit - dependent on whether accessory item can be used within unit. IE: Spare filter - if the filter is a type that can normally be supplied in the unit, it will ship loose separately, if not, it will ship from WI.
- Manufactured accessory items not mentioned above will ship from WI.
- ERV-120 only build in WI if painted Hi Pro Poly.
- PDX DGX-H12 and MSX-H12 only available in WI.
- **If units are manufactured in multiple locations, ship-to-state will determine manufacturing location**
